July 2021

Meeting: July 15, 7:00 PM

Ann Marie Rowland

Pieces of Time - A Musical Trunk Show

First Church of Christ, 6080 Camp Ernst Road, Burlington, KY

From our President...

Hello quilting friends!

Because my life still revolves around a school schedule, I absolutely LOVE June and July! One of the items on my to-do list for the month of June was "blissful sewing" and I accomplished my goal! I did some organizing, I did some cutting, I completed a couple projects, I pieced some scraps... it was wonderful. (As we move into July I plan to do more of the same, but I also need to address the clutter and laundry I let pile up during June. You know.)

I can't wait to see all the Mystery Quilts on display at this month's Guild meeting. Remember that Cindy is organizing a "viewers choice" award!

Since this month is our traditional "picnic" we will not be having an official meeting.

If you would like to help with the 2022 Quilter's Day Out please let me know! September is our deadline for knowing if we have enough leadership to organize and execute this event.

Please continue to invite your friends to join our Guild as our new year is beginning! Among other things, their \$30 membership due will allow them to attend all the great programs we have scheduled and participate in our monthly show-n-tell.

Happy sewing and I will see you on July 15!

From our Vice-President...

Hello Quilters:

This month we are having a talented singer/performer, Ann Marie Rowland. You will certainly love her program and her quilts she will be showing us during this performance. Don't miss this month.

If you want to bring food to eat while we are watching the program, please feel free to bring something to nibble or snack on during the show. We will be meeting in "Stage One" at the church, right around the corner from our usual meeting room. You cannot get lost!! There will be someone to direct you if you are not familiar with the rooms.

We will be presenting the Stringtown Mystery Quilts from 2020, at our July meeting. Please bring them for a viewer's choice award. If you have already gifted it, please bring a picture for us to see.

A big "THANK YOU" to our Northern Kentucky Quilt shop, JUST SEW for the wonderful program they presented to our guild last month. They are quite the crew and I love their Wednesday, Facebook Live show. If you have not had a chance to check out the shop, please visit them or their website. They have a lot of great quality fabrics and kits.

After this month, I will no longer be planning the programs for the guild. It has been my extreme pleasure serving you as Vice-President for the past two years. Thank you for the trust you placed in me for this office. I have not always had the right answer, but our team has done an extremely great job. Believe me, if it was a team effort (Ann, Roxanne, Cynthia, Martha & Theresa) with all of the trials, we have been through and navigating the not-so-normal way we met and/or done business.

However, the future is bright!! Even though our pandemic is not completely over, we have made a good start, to our new normal.

I am really excited about being a regular member after Robin Bisig takes the office in August, but I am always willing to assist, help the guild or any member, if needed.

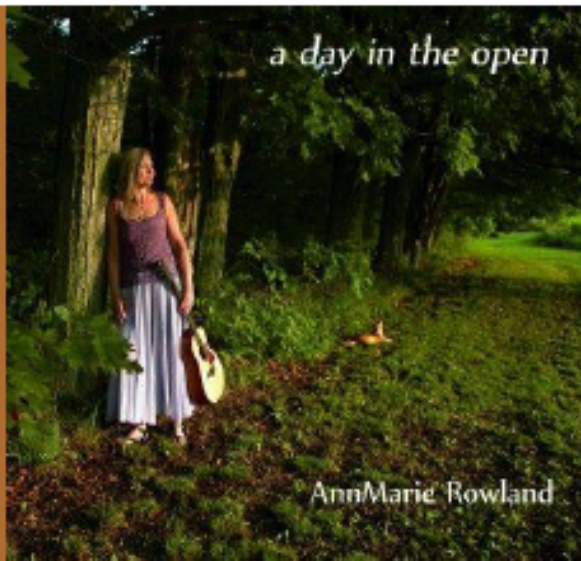

REMEMBER ** There will be no Zoom this month**!!

Hope to see you in July!!

Cindy Gamble, Vice-President

Pieces of Time - A Musical Trunk Show

Songs, Stories, Quilts

I've been writing and singing songs about quilts, the people who make them, and the ones who love them since 2013. What began as a scrap of an idea, has become much more. Pieces of Time, a Musical Trunk Show combines the songs I sing with a "show and tell" style display of approximately 50 collected vintage, antique, and family heritage quilts.

We grew up with our Grandmother in the house. She was a quilter and taught us about color, pattern, and the simple joy of sewing bits of cloth together. She told us stories, and never complained about having us underfoot. We were fortunate to have extended family right up the stairs of that big old house, quietly teaching us without our realizing it.

Our house always had music, too. Mom played the organ at the Baptist church and the piano at home. Dad played classic country music singers on the big HiFi...Hank Snow, Hank Williams, Johnny Cash, Eddie Arnold... and when I was 11 years old, he bought me a guitar. Around that time he began taking Diana to estate auctions. One of the first things she ever bought at one was, you guessed it, a quilt.

Music and quilts. Both have the ability to invoke memories, soothe the spirit, warm the soul, and create community.

Pieces of Time stitches the two together. Through song, story, and 50 - 60 antique quilts, I'll take you along on a happy trip through time and place. You'll laugh, and you'll cry, and maybe view the quilts in your life just a bit differently.

From our Retreats Chair....

Hello Peeps!

Home Town Retreat is this month! YAY! July 29 - 31, 2021. See attached flyer for more details. There are some that have signed up but have not paid. Please make your payment at the July 15 guild meeting. We still have 6 more spots available. We would love to have you join us! If you haven't experienced a retreat, this one's for you to try out!

Higher Ground Retreat is November 4 - 7, 2021. Please see the flyer attached for details. You will be able to sign up for the retreat at the July 15 guild meeting.

I am looking forward to spending time with friends and fellow quilters. Come join us in the fun!

Keep quilting!

BB&T has merged with SunTrust and is now called Truist.

Respectfully submitted,

Cynthia Schmid-Perry, Guild Treasurer

Wanted: 24" x 24" doll quilts for the Salvation Army Dolls by September meeting.

Are you UFO challenged?

Are you ready to complete 4 of your unfinished projects this next year?

Are you willing to put up \$1.00 for each project as a promise to complete?

To participate, list below the unfinished projects that you would most like to complete (up to 4 only please.) Every 3 months a number will be drawn --- that number will correspond with a number you have assigned to a project.

Example:

- If the number 4 is drawn in August, you will have until the meeting in November to complete the project you have listed in the #4 spot on your list and share it with the guild.
- In November, if the number 2 is drawn, then you have until the meeting in February to finish the project listed as #2 on your list and share it with the guild.

You will have 3 months to complete each project. For every project completed by the scheduled meeting, your name will be submitted for the drawing, you can have as many as four entries for the year. Next August, we will share our final completed project and draw the name of our grand prize winner --- the recipient of all the entry fees collected!!

The rules are simple: A UFO is any piece of fabric, cut into for the purpose of making a quilt, wall hanging or other object of art that is made of fabric totally or partially quilted and not completed.

Completed: Totally quilted, bound, decorated, and ready for use.

Challenge Kick-Off is at our August 19th Guild Meeting!

Minutes for Stringtown Quilt Guild – June 17, 2021

Welcomed guest and new members.

May minutes accepted.

June Treasurer's report:

- Food pantry collection (\$175) is on hold while we find out if church is going to charge us a set-up fee.
- We are required to have liability insurance for Stringtown Quilters now. Cynthia contacted Hummel-Hatfield for a quote. It was ~ \$410. Cynthia wants to pay out of this year's budget. \$1,000,000 policy paying \$50,000 per person. It covers all Stringtown activities: retreats, meetings, Quilter's Day Out, Sit N' Sews, etc. Motion made to purchase the insurance policy and passed.
- Storage space for quilt racks went from \$600 to \$1032/year. Cynthia and the executive committee requested that someone provide storage for \$600/year and several expressed possible interest. They must be moved before July 8th.

Retreats

- Hometown Retreat is next month, July 29-31, \$25. You provide your own meals. 22 have signed up so 6 more can sign up for a total of no more than 28.
- Nov 4-7, Higher Ground – money must be paid by Sept 17. Please have roommates because there's not room for singles. \$334/person in single room, \$255/person if there are 2 in a room. This includes 10 meals, and table rental.
- Clifty Falls – more information to follow.

Old Business:

- The board would like to increase membership from \$25 to \$30/year. The current balance is approximately \$12,000. It could be approved as part of the budget in August, but motion was made and passed.
- If we want Quilter's Day Out to happen next year, we must have enough volunteers to carry it out. We need someone to be in charge and many

committee chairs to do set up, silent auction, books and magazine sales, vendors, demonstrators, publicity, etc. If we don't have enough volunteers by September, we will not be able to do it. First Church is available to host the event. It has lots of room to spread out and there's no charge, except for set-up and cleaning fees. It's on the 3rd Saturday in March. Contact Ann Lightner if you are interested.

New Business:

- Nomination of Karen Evans for President and Robin Bisig for Vice-President. There were not other volunteers. Motions made for them to serve a 2 year term. Passed unanimously.

Linda Whittenburg reminded us to make charity quilts for the Brighton Recovery Center for Women. They need to be lap-sized or larger. The Brighton Center will be here in October to accept them. If they are done beforehand, Linda can take them. Ann Lightner is making a charity quilt using the applique kits previously donated to the guild. See Ann or Cindy if you are interested in making some of the applique squares.

Motion to adjourn made and passed.

questions? patpaulyart@gmail.com

Take a sleek, strong, clean pieced line beyond its humble roots to accent a form, split a shape, or strike through a construction. Pat Pauly takes the simple line, whether curved or straight, and shows how to use this valuable design element. Both a class for learning the technique of piecing as well as one that offers work in design and composition, it adds the language of the linear form to your work, and you'll learn to make it the star!
